

Indonesian IRON, STEEL & METAL Directory, 2016

PT. Central Data Mediatama Indonesia (CDMI), has widely been popular among national and international businessmen as an independent consultant company which has launched lots of research books in all industrial sectors. The research outputs of CDMI are strongly required by investors as main references to take an accurate decision and to determine the next business direction. Moreover, CDMI is also recognized to launch lots of directory books in various industrial sectors.

Having successfully launched Indonesian OIL PALM & Refinery Directory and Indonesian AUTOMOTIVE Directory which were widely welcome in domestic markets even in ASEAN and ASIAN markets, CDMI presently publishes Indonesian IRON, STEEL & METAL Directory 2016. Based on a survey conducted by CDMI that in 2015 Capital Investment Coordinating Board (BKPM) had received investment commitments in this sector of Rp. 382.64 trillion, most of them were from foreign investors, particularly Japan and China. The investment commitments were also justified by Ministry of Industry of Republic of Indonesia.

For steel iron sector, the investment plan and expansion of production capacity absorbed an investment of Rp. 52.44 trillion which is given to eight companies producing pig iron, cold rolled oil and hot dipped galvanized; for copper industrial sector, there are five companies which will perform investments of Rp. 99.2 trillion; and in aluminum processing sector, there are five companies which

will invest their capital of Rp. 108 trillion and there are eight companies producing ferronickel, nickel matte and nickel pig iron which will perform investment of Rp. 123 trillion.

The amount of investment entering into this sector makes CDMI to be interested in performing an investigation towards those companies above. There are approximately 1,500 companies which have successfully compiled and updated, covering producers of iron & steel, automotive parts, billet, cold rolled coil & cold rolled steel sheet, concentrate steel, galvanized iron sheet, hot rolled coil, hot rolled steel sheet, machinery component, metal roofing, nickel products, aluminum products, pipes, slab, smelting, stainless steel products, steel building material, wire & wire products, zinc products and others.

This directory book is only published by CDMI and it can be directly ordered to our marketing division directly Mrs. Tina by phones (021) 3193 0108, 3193 0109, 3193 0070 or facsimile (021) 3193 0102 and e-mail; marketing@cdmione.com at a price of US\$ 420.

Having submitted this offer, we thank you for your cooperation and look forward to hearing your response promptly.

Cordially Yours,
P.T. CDMI
